Follow the ABC's of WATER SAFETY

A is for **ACTIVE ADULT SUPERVISION**
when children are near the water

B is for **BARRIERS** around the pool and spa

C is for **CLASSES** to learn how to swim

ocfa.org

Water Safety: Water safety starts at home. Follow the ABC's of water safety to ensure you know how to keep yourself and others safe in and around the water. For more information on water safety, visit ocfa.org.

Drowning is silent NEVER SWIM ALONE

ocfa.org

Water Safety: Drowning can be silent. No one should ever swim alone. To learn more on how to keep yourself and others safe around the water, visit ocfa.org.

KEEP infants and toddlers WITHIN ARM'S REACH

ocfa.org

Water Safety: Children can drown in less than 2 inches of water. Follow the ABC's of water safety to keep you and your children safe. **A is for Active Adult Supervision.** Keep infants and toddlers within arm's reach when they are near the water. For more information, visit ocfa.org.

KEEP your grill **CLEAN**
by removing grease to prevent fires

ocfa.org

BBQ / Grill Safety: Grills should be placed outside a safe distance from the home, deck railings, tables, overhanging branches, and areas where people gather. For more information on Grill Safety, visit ocfa.org.

GRILLS should only be used **OUTDOORS**
a safe distance from the home

ocfa.org

BBQ / Grill Safety: To prevent fires, keep your grill clean by removing grease or fat buildup from the grates and trays below the grill. For more grilling safety tips, visit ocfa.org.

ORANGE COUNTY FIRE AUTHORITY APRIL READY, SET, GO! SOCIAL MEDIA TOPICS

Home Assessment: Is your home wildfire ready? Set up a free home assessment to learn how to better protect your home from a wildfire. For more information on home assessments, visit ocfa.org/RSG.

Safety Tips: Whether working to create defensible space around your home, mowing the lawn, or pulling your dirt bike over to the side of the road, if you live in a wildland/open space area, learning to use all equipment responsibly will keep you and your community safe. For more safety tips on preventing fire in a wildland area, visit ocfa.org/RSG.
